

SAFE HOMES PLEDGE

(The SAFE HOMES PLEDGE is a successful program that gives parents peace of mind when their students ask to attend activities at another student's home. By signing the pledge, parents have given permission to be called to see if they are aware of what is being planned. The pledge is free, and there is also no obligation to join the PTSO in order to participate in the pledge. Sign the form below and return it to the PTSO as soon as possible so we may publish your name and phone number in the Principal's Newsletter.)

As a concerned parent, I agree to join the SAFE HOMES PROGRAM by promoting a "no tolerance" message regarding alcohol use by minors in my presence and will abide by the following guidelines:

- I will refuse to allow parties or gatherings in my home where alcohol use may occur when I am not present.
- I will refuse to serve and will not allow minors to consume alcohol in my home or on my property.
- I will refuse to allow the use of illegal drugs in my home or on my property.
- I will feel comfortable calling host parents when my child is invited to a party at their home and will welcome verifications of party conditions at my home.
- I will permit the use of my name and phone number in the Principal's Newsletter as a member of the Safe Homes Program.

By doing this I will join a support network or other concerned parents in discouraging underage alcohol and other drug use.
